

## DE-FOAM

### Technical Data Sheet

SYMBOL	pH
D-03	7

Product designed for preventing foam formation in containers that store dirty water. Suitable for using in every device. Using this product lowers the risk of damaging the engine in cleaning device when flooding it with foam.

#### **APPLICATION:**

- floor washers
- vacuum cleaners
- other laundry machines

#### **COMPOSITION:**

- silicone emulsion
- auxiliary substances not classified as dangerous

#### **USAGE:**

Before using, read product's safety data sheet.

Pour 50-100 ml of the product to the container for dirty water.

Use it after using foam-creating products.

## *DE-FOAM*

### **Technical Data Sheet**

#### **DANGER:**

Product is not a hazardous mixture under applicable regulations.

#### **SELL-BY DATE:**

36 months from the production date.

Production date/series and expiration date are stated on the packaging.

#### **ADDITIONAL INFORMATION:**

Additional information can be found in safety data sheet.

Contaminated containers should be completely emptied. Several times rinse the container promptly after emptying. Empty container can be stored in containers for collection of plastic packaging, or can be delivered to specialized company for recycling.

Disposal should be in accordance with the national/international regulations
