

## TopEfekt<sup>®</sup> CONTRA

### Technical Data Sheet

SYMBOL	pH
I-04	14

Low-foaming, alkaline product with wide range of use. Recommended for thorough cleaning strongly polluted industrial floors with the help of cleaning machines. Does not leave any stains. Effectively dissolves majority of the polymer contaminations from floors resistant to alkali and it also removes contaminated wax coatings. Used in large area stores.

### **APPLICATION:**

- large areas (warehouse halls, hypermarkets, industrial facilities etc.)

### **COMPOSITION:**

- < 7% sodium hydroxide
- < 2% potassium hydroxide
- < 5% phosphonates
- < 5% silicates
- 5-15% anionic surfactants
- < 5% non-ionic surfactants
- auxiliary substances not classified as dangerous

### **USAGE:**

Read product's safety data sheet before using.

- mechanical cleaning: 50-200 ml / 10 l of water
- thorough cleaning: 200-500 ml / 10 l of water
- removing old coatings: 1-3 l / 10 l of water

## *TopEfekt<sup>®</sup> CONTRA*

### **Technical Data Sheet**

Washing down with water slows down renewed floor contamination.

#### **DANGER:**

- Causes severe skin burns and eye damage.
- Wear protective gloves/protective clothing/eye protection/face protection.
- IF SWALLOWED: Rinse mouth. Do NOT induce vomiting.
- IF ON SKIN (or hair): Take off immediately all contaminated clothing. Rinse skin with water [or shower].
- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
- Immediately call a POISON CENTER/doctor
- Store locked up.

#### **SELL-BY DATE:**

36 months from the production date.

Production date/series and expiration date are stated on the packaging.

#### **ADDITIONAL INFORMATION:**

Additional information can be found in safety data sheet.

Contaminated containers should be completely emptied. Several times rinse the container promptly after emptying. Empty container can be stored in containers for collection of plastic packaging, or can be delivered to specialized company for recycling.

Disposal should be in accordance with the national/international regulations
