

BOAT CLEANER

Technical Data Sheet

SYMBOL	pH
A-106	7

Ready to use product, designed for periodic cleaning of the yacht hulls and motor boats. Effectively removes limescale, mineral discolourations, rust and exploitation dirt. Recommended for using, after pulling out the boat from the water.

APPLICATION:

- underwater elements of the yachts and boats

COMPOSITION:

- < 5% anionic surfactants
- 5-15% ammonium thioglycolate
- auxiliary substances not classified as dangerous

USAGE:

Product is ready to use without diluting.

Spread the product with brush or sprinkler, leave it for 5-10 minutes and wash it with highly pressured water.

If needed, repeat the whole process.

Do not apply the product in full sun, when the surface is heated.

Product is characterized by its very intense, non-pleasant odour.
