

## GRAN PRES AGD

### Technical Data Sheet

SYMBOL	pH
SP-39	-

Powder, based on active oxygen, designed for cleaning coffee machines from lingering sediments. Effectively removes contaminations from porcelain, faience and thermos interior surfaces. Recommended for espresso machines.

#### **APPLICATION:**

- coffee machines
- porcelain, faience, thermoses
- devices and dishes discoloured by coffee or tea.

#### **COMPOSITION:**

- > 30%      bleaching compounds based on oxygen
- < 10%      sodium carbonate
- auxiliary substances not classified as dangerous

#### **USAGE:**

Read product's safety data sheet before using.

- use according to the machine's user manual, or make a 1-2% solution (10-20g / 1 l of water)
- sink the dismantled coffee making module and leave it for 15 minutes. Afterwards, thoroughly wash it out with drinking water
- in case of espresso machines, pour 1-2 spoons of the powder (10-20g) to blank disk, turn on the group for about 5-10 seconds, after 30 seconds repeat the last step and repeat it until the disk is empty
- thoroughly wash the whole system with clean, drinking and warm water (0.5-1 l)

## GRAN PRES AGD

### Technical Data Sheet

#### **DANGER:**

- May intensify fire; oxidiser.
- Harmful if swallowed.
- Causes serious eye damage.
- Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking.
- Wear protective gloves/protective clothing/eye protection/face protection.
- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.
