INNOVATIVE WAYS TO MAKE YOUR CAR LOOK GREAT

BODYWORK WASHING

Our products which are dedicated for manual car washing include effective and efficient shampoos: pH neutral CAR SHAMPOO, which provides excellent and harmless washing, CAR SHAMPOO & WAX, which simultaneously washes and strengthens bodywork with wax coating and QUARTZ SHAMPOO®, which provides super hydrophobic effect and long-lasting quartz coating on washed surfaces.

CAR SHAMPOO

- PROVIDES SUPER GLOSS EFFECT
- DOES NOT LEAVE ANY STAINS

SHAMPOO WAX

- CONTAINS PROTECTIVE WAX
- PROVIDES SUPER GLOSS EFFECT
- UV PROTECTION

QUARTZ SHAMPOO®

- PROVIDES SUPER GLOSS EFFECT
- QUARTZ PROTECTION
- SUPER HYDROPHOBIC EFFECT

CLEAN INTERIOR

We also have a set of products dedicated to car interior. CLEAN COCKPIT will not only remove dirt, but it will also remove any old dressings, which in turn will restore plastic to its original condition. MATT COCKPIT can then be used to protect plastic parts with an antistatic coating. CLEAN UPHOLSTERY removes daily stains and dirt from all kinds of textile surfaces.

CLEAN COCKPIT

- PERFECT DEEP CLEANING
- ANTISTATIC

CLEAN UPHOLSTERY

- SEATS, RUGS, CEILING LININGS
- ACTION TIME: 1 MINUTE

MATT COCKPIT

- SATIN EFFECT
- AVAILABLE IN 4 SCENT VARIANTS

LEATHER UPHOLSTERY

We offer a complete set of products dedicated to leather maintenance (natural and synthetic): CLEAN LEATHER provides deep cleaning and removal of even the most stubborn dirt. After such treatment upholstery is vulnerable to over-drying which is why it needs to be protected with LEATHER CONDITIONER, which will restore its smoothness. Use LEATHER CARE for daily cleaning and maintenance.

CLEAN LEATHER

- NATURAL AND SYNTHETIC LEATHER
- HARMLESS DEEP CLEANING
- STRONG EFFECT

LEATHER CONDITIONER

- NATURAL AND SYNTHETIC LEATHER
- NEUTRAL SCENT
- NEW LOOK EFFECT

LEATHER CARE

- NATURAL AND SYNTHETIC LEATHER
- CLEANING AND MAINTENANCE
- WITHOUT GLOSS EFFECT

CERAMIC-BASED PROTECTION

Our Ceramic based products are dedicated to protect bodywork and make up an important group of products in our range. Liquid quartz formula makes them very easy in application and hinders dirt settling on bodywork. WET WAX works very well as a drying aid. QUARTZ SPRAY is a quick detailer that provides great appearance and protection in short time and CERAMIC WAX giving a longer-lasting protection for more time consuming application. The most durable product in this group is QUARTZ COAT - a classic ceramic coating combining extra gloss with astonishing paint protection for demanding users.

WET WAX

- FOR BODYWORK AND WINDOWS
- SUPER HYDROPHOBIC EFFECT

CERAMIC WAX

- PROVIDES SUPER GLOSS EFFECT
- UV PROTECTION
- EFFECTIVE PAINTWORK PROTECTION

QUARTZ SPRAY

- NANOTECHNOLOGY
- SUPER HYDROPHOBIC EFFECT
- PROVIDES SUPER GLOSS EFFECT

CERAMIC COATING

QUARTZ COAT

- LONG-TERM PAINT PROTECTION
- QUARTZ PROTECTION
- SUPER HYDROPHOBIC EFFECT
- PROVIDES ULTRA GLOSS EFFECT

DEEP CLEANING

QUICK SHINE

- REMOVES WATER SPOTS
- UV PROTECTION
- PROVIDES SUPER GLOSS

IPA CLEANER

- STAINLESS
- HARMLESS TO PAINTWORK

INSECT REMOVER

- BUG BUSTER
- HARMLESS TO PAINTWORK
- FOR BODYWORK AND WINDOWS

We offer a range of products dedicated for removing even the most stubborn dirt. QUICK SHINE will remove any water stains that appear after washing bodywork with hard water. INSECT REMOVER will effectively soften and remove insect remains from paintwork, windows and plastic parts. IPA CLEANER guarantees effective degreasing before application of any coating.

CLEAN ENGINE

- PRESERVES AND PROVIDES SHINE EFFECT
- ACTIVE FORM
- ACTIVE FOAM FORMULA

BIKE CLEANER

- SAFE WASHING
- MUD REMOVER
- NO BRUSHING

TAR & GLUE REMOVER

- REMOVES TAR AND RUBBER
- REMOVES GLUE STAINS
- HARMLESS TO PAINTWORK

Oil stains and similar dirt on engine parts can be removed with our CLEAN ENGINE product. For the most stubborn dirt, such as asphalt remains, tar and glue, we recommend TAR & GLUE REMOVER in our aerosol form. The easiest and safest way to remove mud from bikes and motorcycles is ensured by our BIKE CLEANER.

GLASS SURFACES

CLEAN GLASS

- ANTI-REFLECTIVE
- STAINLESS
- CLEAR VISION

DE-ICER

- WORKS DOWN TO -70 C
- HARMLESS TO GASKETS
- NANO NANOTECHNOLOGY

For cleaning transparent surfaces, such as windows, headlights and sunroofs, we propose CLEAN GLASS. It is a very efficient product which is dedicated for this kind of work. DE-ICER is a product that will help you in removing ice and frost during the coldest winter months.

WHEEL RIMS AND WHEEL TRIMS

CLEAN RIM

- HARMLESS TO TIRES AND BODYWORK
- ACTION TIME: 30 SECONDS

BLEEDING RIM®

- ALUMINIUM, CHROME AND PAINT-COATED WHEEL RIMS
- ACTION TIME: 2 MINUTES

Metal wheel elements get dirty very quickly. We recommend slightly alkaline CLEAN RIM for everyday cleaning and BLEEDING RIM de-ironiser, which is dedicated for cleaning aluminium, paint-coated and chrome wheel rims thanks to its pH neutral properties.

DEEP CLEANING

CARNAUBA SPRAY

- UV PROTECTION
- ORIGINAL CARNAUBA WAX

CARNAUBA WAX

- UP TO 12 MONTHS OF PROTECTION
- PROVIDES SUPER GLOSS EFFECT
- UV PROTECTION

We also have wide selection of strengthening products based on Carnauba; the hardest of all natural waxes. Its characteristic trait, besides high durability, is the curing time post application process. CARNAUBA WAX is a product that effectively fills micro - scratches and provides many months of protection. It is greatly supplemented by CARNAUBA SPRAY quick detailer, which enhances paintwork's colour depth.

RUBBER AND PLASTIC PARTS

TIRE & PLASTIC

- DEEP BLACK FORMULA
- UV PROTECTION
- SHINE EFFECT WITHOUT BUFFING

TIRE & RUBBER

- UV PROTECTION
- NEW LOOK EFFECT
- HYDROPHOBIC EFFECT

MOTORPLAST

- NEW LOOK EFFECT
- SAFE FOR METAL & PLASTIC
- RESISTANT UP TO 250°C

We also offer products dedicated for the protection and maintenance of tires and external plastic parts. TIRE & PLASTIC provides an attractive shine effect and enhances colour without making the surface vulnerable to dirt. TIRE & RUBBER allows you to penetrate deeply and rejuvenate rubber and plastic surfaces, restore their elasticity and provide a long-lasting hydrophobic effect. MOTORPLAST is an effective protector of all plastic and metal engine bay parts after washing.
